## ORGANIZERS:

### **Actia Forum Organiser**

Founded in year 2000, Actia Forum is specialises in organizing events/meetings and providing consulting services that match the needs of the transport & logistics industry. Actia Forum's portfolio covers two areas - events and consulting. By firmly standing these two legs, we can guarantee that whatever goals our clients wish to accomplish, we are here to support them in their journey. Additionally, we are the only company who knows the Baltic Sea region inside out as well as are the sole maritime conference firm with strong support in printed expert publications.

### **Harbours Review Co-organiser**

The Harbours Review is a European magazine of the Baltic Press publishing house, with a bi-monthly e-zine with expert views on the most important issues for Europe's port sector, as well as a completely free on-line European ports database. Baltic Press set out in 2004 and from that time delivers credible information and professional market analysis (like yearbook publications: ro-ro&ferry, container, bulk, Baltic ports). We enhance business among partners within the region and promote European companies throughout the world.
